6:30-9:00 pm Program/Dinner

Location: Reeves-Sain Drug Store
1801 Memorial Blvd
Murfreesboro, TN 37129

Registration Fee: ~~\$95~~

Sponsored by Reeves-Sain Drug Store

Includes 2.5 hours of CME (Cat 1), CNE or CPE, handouts, and dinner

This program is designed to provide practitioners insight into the principles and parameters of using bioidentical hormones in clinical practice and how to achieve hormone restorative balance in their patients.

Topics will include:

- Comparison of the risks and benefits of conventional and bioidentical therapies
- Dosing principles and guidelines
- Estrogen production and therapeutic choices
- Hormone testing considerations

Featured Speaker: Jim Paoletti, Pharmacist, FAARFM
Director of Provider Education at ZRT Laboratory

Jim has over 25 years experience with bio-identical hormone therapies both in clinical practice as a pharmacy consultant, educator and educational program developer. He is on the faculty and a graduate of the Fellowship of Anti-aging and Functional Medicine. Jim has lectured extensively and internationally on all aspects of BHRT, (including dosage forms and guidelines, testing and monitoring effectiveness, lifestyle and nutritional influences on BHRT outcomes, adrenal and thyroid hormones, and patient consultation) to medical practitioners and consumers, and has several articles published on BHRT and compounding pharmacy issues.

Seating is limited! Reserve today to ensure your spot!
